# The Lancer Club

## To Our Lancer Club Members:

On behalf of the USCL Athletic Department, we would like to say thank you for supporting **The Lancer Club**. Your support will enable our student athletes to compete, through scholarships, in the very competitive Region 10 Conference of the National Junior College Athletic Association (NJCAA).

Our sports teams include: Men's Golf, Women's Soccer, Baseball, Women's and Men's Tennis. Teams to be considered in the future include: Women's Softball and Volleyball, Men's and Women's Swimming, and Cross Country Track.

USCL sports has raised the bar for expectations in its short existence. During the first year, the USCL team participated in the National Finals of the Division III golf program in Lake Chautauqua, New York. Drew Walters finished twelfth in the nation, and the team placed 13th.

The second year was as exciting, as the first. Phillip Knezevich won the Spartanburg Methodist College Invitational in the Fall and Drew Walters was the medalist and player of the year in region 10. Stephen Adeimy also finished 3rd in the region as a freshman in 2007.

Women's soccer also shared success. Allison Haile was nominated for the 1st Team All-Region, Bonnie Creighton and Jess Cooney were nominated for the 2nd Team All-Region. Kayla Brill was selected for honorable mention. Coach Sal Estrada was nominated for Region 10 Coach of the Year.

The bar of expectations always begins with our coaches. All USCL head coaches have four year college degrees. Brian Clark, our tennis coach, has earned a Masters in Sports Science. The USCL coaches serve as examples for the student athletes. Our success on the playing field will be only as good as the success we achieve in the classroom.

With your support, over 90 student athletes will participate in sports at USCL in 2008—2009. These athletes will have the opportunity to continue their college careers with the support of **The Lancer Club**.

If you have any questions about USCL Athletics and **The Lancer Club**, please call 313-7464 or email us at [walterc3@gwm.sc.edu](mailto:walterc3@gwm.sc.edu).
