Please review the instructions carefully prior to submitting. Once the application has been accurately completed, return the entire application to:

USCL Financial Aid Office; PO Box 889 Lancaster SC or Fax to 803-313-7168

(Refer to your campus Financial Aid Office webpage for the appropriate address and or fax number)

Application Deadline: April 15, 2011

Applies to All Summer Sessions

A **complete application** for summer financial aid includes:

- 1) A 2011 Summer Application for Financial Aid.
- 2) A 2010-11 Free Application for Federal Student Aid (FAFSA) by April 15. Keep in mind that the FAFSA could take 4 to 6 weeks for the complete process.
- 3) Admission into a degree seeking program.
- 4) **A copy of your advisement form. If a transient student, a copy of your transient permission forms.**

An application is not considered complete until all of the above components are received. If you do not submit a **Summer 2011** application by the deadline, your financial aid eligibility for **all** summer sessions is at risk. Summer applications will be processed on a first-come, first-serve basis.

IMPORTANT REMINDERS

- If you are not fully admitted into a degree seeking program by April 15, your Summer Application will not be considered.
- All available financial aid funds must be used to pay University charges. After charges are paid, any difference will be issued at registration or for student account campuses, as an overage check or direct deposit by the Business Office.
- **Initial Summer Application must be received in our office by 5:00 pm on April 15.**

The University of South Carolina System provides affirmative action and equal opportunity in education and employment for all qualified persons regardless of race, color, religion, sex, national origin, age, disability, or veteran status. The University of South Carolina System has designated as the ADA and Section 504 coordinator the Executive Assistant to the President for Equal Opportunity Programs.

Question A:

Financial aid will be processed according to the planned enrollment you indicate. Please indicate the number of hours planned for each session. Minimum hours required may be taken in Summer I (including May session) only, Summer II only, or a combination of Summer I (including May session) and Summer II. **Failure to enroll as indicated voids your application including all financial aid awarded, with the possible exception of Federal Pell Grant.** If your plans change, you need to make the Financial Aid Office aware of these changes.

Question E:

Indicate the types of aid for which you are applying:

***Federal Pell Grant:** You will automatically be considered for Federal Pell Grant based on your eligibility.

***Lottery Tuition Assistance Program (6 hours)** Funding is contingent upon availability. If you are eligible, you will be awarded and notified.

Federal Work-Study (FWS) (6 hours)

Funding is contingent upon availability and eligibility. If you apply for FWS and funds are available, you will be awarded and notified.

Federal Perkins Loan (6 hours)

Funding is contingent upon availability. If you apply for a Perkins Loan and funds are available, you will be awarded and notified.

Federal Direct Loan / Federal Unsubsidized Direct Loan (6 hours)

The Federal Direct Loan (subsidized and unsubsidized) **will be processed for the maximum base eligibility allowed** subject to annual and aggregate loan limits that are based on your academic grade level, your dependency status and the length of your academic degree program. **Students who are currently receiving a Direct Loan and who have not received their maximum for the academic year may have remaining eligibility.**

	Base Eligibility (subsidized and Unsubsidized)	Dependent Student Additional Unsubsidized	Independent Student Additional Unsubsidized (or dependent denied PLUS)
1 st Year (Freshman): 0 - 29 credit hours	\$3500	\$2000	\$6000
2 nd Year (Sophomore): 30 - 59 credit hours	\$4500	\$2000	\$6000
3 rd Year+(Junior/Senior): 60+ credit hours	\$5500	\$2000	\$7000

- Funds will be disbursed once your enrollment has reached 6 hours. For example, a student enrolling for 3 hours Summer I and 3 hours Summer II will not receive any loan proceeds unless they are pre-registered for the required 6 hours.

Summer Loan Period

5/11 - 8/11
