The UNIVERSITY OF SOUTH CAROLINA LANCASTER has online access to the following American Chemical Society Journals:

Biomacromolecules - Current Web Edition

Crystal Growth and Design - Current Web Edition

Nano Letters- Current Web Edition

Journal of Natural Products - Current Web Edition

Journal of Proteome Research - Current Web Edition

Molecular Pharmaceutics - Current Web Edition

Journal of Chemical Theory and Computation - Current Web Edition

ACS Chemical Biology- Current Web Edition

ACS Nano - Current Web Edition

ACS Applied Materials & Interfaces - Current Web Edition

ACS Chemical Neuroscience - Current Web Edition

The Journal of Physical Chemistry Letters - Web Edition

Organic Process Research and Development- Current Web Edition

Journal of Chemical Education - Web Edition

ACS Medicinal Chemistry Letters - Web Edition

Accounts of Chemical Research - Current Web Edition

Analytical Chemistry - Current Web Edition

Biochemistry- Current Web Edition

Chemical Reviews- Current Web Edition

Environmental Science & Technology - Current Web Edition

Inorganic Chemistry - Current Web Edition

Journal of the American Chemical Society - Current Web Edition

Journal of Agricultural and Food Chemistry - Current Web Edition

Journal of Chemical Information and Modeling - Current Web Edition

Journal of Chemical & Engineering Data - Current Web Edition

The Journal of Organic Chemistry - Current Web Edition

The Journal of Physical Chemistry - Current Web Edition

The Journal of Physical Chemistry A- Current Web Edition

The Journal of Physical Chemistry B- Current Web Edition

The Journal of Physical Chemistry C- Current Web Edition

Macromolecules - Current Web Edition

Journal of Medicinal Chemistry - Current Web Edition

Organometallics - Current Web Edition

Langmuir - Current Web Edition

Energy & Fuels - Current Web Edition

Industrial & Engineering Chemistry Research - Current Web Edition

Chemical Research in Toxicology - Current Web Edition

Organic Letters - Current Web Edition

Chemistry of Materials- Current Web Edition

Bioconjugate Chemistry - Current Web Edition

Journal of Combinatorial Chemistry- Current Web Edition

ACS Legacy Archives - All Journals except JCE
