

Here are some things to keep in mind when you come for **free** tutoring at the Academic Success Center.

Things you should DO:

- **Bring** your notes, textbooks, syllabi, and assignments.
- Come **as soon** as you have problems.
- Continue **attending class**.
- Visit us as **often** as you need.

Things you should NOT do:

- Expect the tutor to do your homework.
- Wait until the last minute.
- Completely replace your study time with tutoring.
- Skip class.

Tutoring is

- For **everyone**, if you are doing well in a class, or if you have trouble
- Worth the **time** because better study skills help you get more done quickly
- Not a replacement for class.
- Not for the last-minute. Come early and often!

Come visit us upstairs in the library!
